NEIMUN FOUNDATION

NEIMUN Foundation is a youth-focused leadership development organisation based in Northeast India. Our goal is to raise a generation of value-driven leaders and to empower them with the skills, knowledge, mentorship, and opportunities to transform Northeast India. As a youth-focused organisation, our priorities are centered towards enabling young people to facilitate and lead in the actualization of the Sustainable Development Goals (SDGs) with a particular emphasis on UNSCR 2250 Youth, Peace, and Security.

NEIMUN CONFERENCE 2023

NEIMUN 2023 is a youth leadership conference organised by the NEIMUN Foundation and one of the first and premier Model United Nations in North East India. Anchored in the principles of the United Nations Security Council Resolution 2250 on Youth, Peace, and Security, the conference aims to address critical issues affecting the region, including drugs, small arms trade, poverty and conflict arising from the climate crisis.

NEIMUN through this youth leadership conference hopes to create a platform for meaningful dialogue, skill enhancement, networking opportunities, and a life changing journey that equips youths of the region to lead actions in their communities and beyond.

Conference Objectives:

- Empowerment through Knowledge
- Multifaceted Peacebuilding
- UNSCR 2250 Alignment
- Cross-Cultural Collaboration
- Youth Empowerment

MODEL UNITED NATIONS

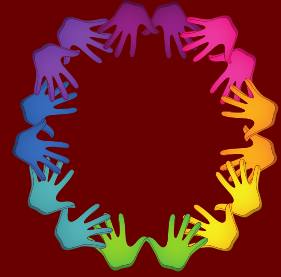

Model United Nations, an academic simulation of the United Nations, is an extracurricular activity where students play the role of delegates from different countries and attempt to solve real world issues by simulating UN committees.

It involves substantial researching, public speaking, debating, and writing skills, as well as critical thinking, teamwork, and leadership abilities.

At the NEIMUN conference, delegates are trained by some of the best in the field, imparting knowledge and skills required for students to become leaders in their communities and globally.

UN4MUN

It is a program introduced by the United Nations Department of Global Communications in 2009 with an intention to bring Model UN simulations closer to how the real UN functions. NEIMUN is proud to be one of the premier MUN conferences in South Asia which follow the UN4MUN(United Nations for Model United Nations) Rules of Procedure. UN4MUN follows authentic UN General Assembly Procedure which makes it different from other traditional MUN conferences.
