Action Taken Report of the Feedback Form

Students:

1. Staff and Student Grievance Portal is made available on the College website for quick and easy lodging of complaints which will be taken up by the concerned committee for redressal and resolution as per requirement.
2. Organized exposure trips, educational tour, programmes and events, competitions, workshops for students by the departments and various committees.
3. Certified computer courses with Diploma in Computer Application and Tally with GST at subsidized rate is made available for students of the College.
4. Improved library resources with additional books and subscription to new journals. Reminders are also given to students to avail e-resources by activating their N-List account as the college is already registered.
5. Installed emergency fire alarms and smoke detector system, more CCTV cameras and LCD projector screen added. The College is also equipped with WiFi connection for students to avail for academic purposes. All these are done as part of infrastructural improvement.

Alumni:

1. A room in the College has been allotted for use as office to the Alumni Association.
2. Improved library system and resources.

Teachers:

1. Improved library resources such as procurement of more books not only from publishers and distributors but through online site like Amazon. Procurement of additional library shelves and subscription of three new journals has been achieved.
2. Introduced performance-based reward system to boost morale and commitment of staff to encourage innovative and high education quality.
3. A full running kitchenette installed in the new college building for the welfare of staff.

Employers:

1. Remedial classes are conducted for weak students.
2. Improved library resources.
3. Enhanced ICT facilities with additional number of computers, CCTV cameras, LCD projector screens, emergency fire alarm and smoke detector system and printer.
4. Recreational room with a Table Tennis board has been added as part of sports facilities.
