## INCEPTION OF BAPTIST COLLEGE, KOHIMA

Baptist College, a premier institution in the state was launched in faith by the Angami Baptist Church Council (ABCC) on 23<sup>rd</sup> August, 1982. It is the result of a thorough discussion and deliberation at the ABCC level and it was finally approved and voted upon in its general meeting of March 13-14, 1981 for setting up a College. Hence the constitution of Baptist College states, "The College is a project of the Angami Baptist Church Council, which shall have the authority to constitute the Governing Body of the college. The management of the affairs and interest of the College shall be vested in the Governing Body, which shall be responsible to the ABCC". It was an outcome of goodwill in shouldering the need for more colleges in Nagaland, with the college being the third oldest College in Kohima. This venture of ABCC is also a continuing process of development from a legacy left behind by the missionaries of the American Baptist Foreign Mission Society since the late nineteenth century, who introduced the rudimentary on education while proclaiming the gospel of Jesus Christ to the Nagas. The College is a co-ed institution offering Arts and Commerce courses.
